The mountain nights are extremely cold,
please do not underestimate it.

Now that I think about it
Sae Hee told me some-thing during the day.

Why is it so cold.
There should be something that I can cover myself with.

Ah.
There's something warm here~

ITS COLD -!!

Hm? The heater's talking.

Well, if a tiger could talk, why shouldn't a heater be able to?

HNYAH?

S, SUNG HOON?

Oh, this heater was Rang Ii...

Its cold, so let's sleep closer.

Well... whatever, it should be fine...

A..alright!

It's troubling to make me feel like this~~

Ah...

HYAH!

S, Sung Hoon.. that place is... I can't sleep if you do that.

Well, I can sleep just fine.

Use your imagination.

HNYAH!

Chicken Noise

TN: I was going to put "cock a doodle do" or something, but that just sounds silly. So just imagine w/e chicken noise you like.

It's time to wake up.

탈칵

Ah...

두두

두두

NONE -!!

WHATEVER YOU THINK HAPPENED DIDN'T HAPPEN!

Lolicon, pervert, scumbag, or human trash. Which of those names do you like best?

YAWN ~

I couldn't sleep last night because of Sung Hoon...

I'm gonna sleep a bit more...

It seems your fatigue from last night didn't go away. I'll be back later.

NOTHING HAPPENED LAST NIGHT!!!

YAWN Last night?

SUNG HOON -!!

Did I forget anything?

WHEW

ARE YOU GOING TO ABANDON ME?

WERE YOU JUST PLAYING AROUND WITH ME LAST NIGHT?

WHAT DO YOU MEAN YOU'RE GOING BACK TO SEOUL? WHAT ABOUT ME?

Did you forget what I said at the cave?

Didn't I say "let's go together?"

DON'T SAY THINGS THAT WOULD CAUSE MISUNDER-STANDINGS!!

All I did was hug and sleep with you! And you're coming with me, what do you mean abandon you?

Huh?

Ah.

What, is there a problem?

But, if I follow you, I'll defe-nitely be a nuisance.

Can't you just.... stay here?

.....

Not really.

Why are you avoid-ing eye contact?

I guess I can't disobey my mother in law.

I can't. My mom told me to come right away.

Who's your mother in law?

I, is that so...

....remember this well.

After all, she believes that if she tries hard enough, she could do something about a spirit like me.

I don't even know if that's possible...

What kind of nonsense is that?

My mom is a bit peculiar, but isn't she just a normal human?

I have to meet Na Rae and ex-plain things to her, but...

Anyway, isn't youre reaction towards my mom a bit strange?

Uu~ Your mother is hard to deal with, I can't help it.

We phan-
toms,

fear the existance of humans that think they can do anything.

Because even a great phantom like myself can't inflict harm to those without subtance.

그런

And my mom is that kind of person?

Well, I guess...

Well, she is the monster that reformed my Dad...

So you're not coming?
But, even if I go to Seoul, there's a small issue...

I'll protect you.

I KNEW YOU WERE MY FATED ONE!!
AAH! STOP CLINGING ONTO ME!

Sung Hoon...
No matter what my Mom says,
no matter what happens, I'll protect you.

Alright Shin Ah,

I'm leaving the house to you.

Yes master.

Shin Ah?

Wasn't her name Ba Duk?

Simply, her true name.

That name is something the heavens bestowed upon Ba Duk.

Is that important?

Even more important than our lives.

You shouldn't use it carelessly, no excuse can stop phantoms from murdering you.

It was short, but I hope you end up in a better place.

Am I being murdered?

Its alright young master.

You're the husband of my master.

If a normal human used my name, I would probably bite him

and roll him around in my mouth.

She was crying because I was leaving, I'm glad she calmed down.

And to think that even Sae Hee is accompanying us..

Tch.

Yes. I'm relieved.

"Husband", I've never been happier to hear that word.

Where did your master go?

No, its just less work for me.

I'll obviously be serving by the master's side. Is there a problem?

Excuse me for a moment.

Why is she up there?

This atmo-sphere...

-!!

That was a sort of "farewell", but, that's none of your business.
A farewell? That sounded more like she was threatening something.

READ RIGHT TO LEFT

I DIDN'T WISH THAT!
It seems they came for revenge, so I won't hesitate to serve it on the table.
STOP JOKING AND LET'S LEAVE!
We better leave quickly to protect the ecosystem.
Did you kill the parent bears?
It could be 3 baby bears that came to get revenge for the owner of the bear bile I served last night.
The mother bear is still alive, but if you wish to eat bear meat...
What an adorable young master...
